

Part Time Grooming Professional Needed...

at a premier pet resort and salon near Zionsville. We offer great clientele, a friendly and warm atmosphere, and the opportunity to grow with this expanding business.

Our groomer will have access to a complete line of supplies and equipment. Our salon features two baths plus a walk in shower, numerous drying dens, hand driers, and plenty of cage driers. We provide a complete line of shampoos and conditioners, dental cleaning supplies, nail trimming supplies, and accessories such as ribbons, bandanas, and bows for that special touch.

We have a large, captive client base for groom appointments during boarding visits as well as numerous clients to fill the groom schedule with "outside" appointments. **Let our front desk arrange and schedule your grooming appointments while you take great care of the clients and keep their pets looking their best.** The opportunities and income potential are endless and it is all up to you.

Feel free to visit us on our website to check out our facility.
